

## Leather Blotters

Type 1 - Blotter with straps: Upholstery weight leather with a suede underside stitched over a 1/8" hard substrate. Straps can be the same leather as the blotter or chosen from our selection of English bridle leather.

Blotter thickness: 3/16". Made to order, priced per sq. ft.

Type 2 - Blotter without straps: Upholstery weight leather with a suede underside, stitched over a 1/8" hard substrate.

Blotter thickness: 3/16". Made to order, priced per sq. ft.

### Material Options

Garrett Leather / Avion, Torino, Journey or Vintage

Straps for Type 1 blotters: same as blotter or English bridle leather - black, dark chocolate, havana, saddle, cognac or coach

COL: half or full hide depending on blotter size
